Haus Tao

Individual guests

At times when no courses are held in Haus Tao, we welcome single guests who are experienced in retreat practice and are able to provide for themselves. We do not offer a regular community.

Individual guests are left to themselves, which means they have to be already familiar with the house.

Daily fee for silent individual guests: sfr.40 (€ 33) for lodging.

You must provide for the meals yourself; the kitchen is at your disposal.

A personal conversation with the resident teacher can be arranged (time and fee to be agreed upon).
